

**NC State's Summer College in Biotechnology and Life Sciences (SCIBLS)**  
**Student Statement - Scholarship Application 2008**

This statement is a crucial component (in addition to high school transcript) in determining scholarship award level. Full and partial scholarships will be awarded. As a SCIBLS scholarship recipient, you will participate in coursework at the freshman/sophomore college level.

Please write a statement regarding your academic achievement, readiness for college work, and interest in science as a college major or career. Describe any other science programs you have participated in and how they have impacted your college and career plans. Please keep your essay to 500-1000 words. Please submit this statement, the Teacher/Counselor Recommendation Form, along with all other application forms by April 15th with the SCIBLS application packet.

Name: \_\_\_\_\_  
I am applying for a:  Merit scholarship  Need-based scholarship

Attach additional sheets if necessary.

<b>TO THE APPLICANT</b>		
After you have filled in the personal information below, give this form to a teacher or counselor who can assess your intellectual abilities, personal qualities, and potential for college-level academic work. PLEASE INCLUDE THIS FORM IN YOUR APPLICATION PACKET.		
<b>PERSONAL INFORMATION</b>		
FIRST NAME	MIDDLE NAME	LAST NAME
Applying for a ____ Merit scholarship ____ Need-based scholarship		
<b>TO THE TEACHER/COUNSELOR</b>		
The student requesting this recommendation is applying for scholarship funds to participate in Summer College in Biotechnology and Life Sciences at NC State. The student will be enrolled in freshman/sophomore college level coursework for four weeks from July 6-August 1. Your recommendation is an important part of the scholarship award process. Please verify Merit or Need and write an honest assessment of the student's academic ability and interest in science, technology or engineering.		
Attach additional sheets if necessary.
